JOIN THE BEST CREW IN TOWN

The SS Great Britain was the greatest innovation of the Victorian age: an engineering masterpiece that changed the way we travel. Today, Brunel’s SS Great Britain is a world-class, multi-award-winning museum, welcoming around 200,000 visitors every year.

In 2018, Being Brunel opens. The new national museum cements Brunel’s SS Great Britain as the centre of expertise for Brunel and will generate an additional £1 million annually into Bristol’s tourism economy. Visitors will see Isambard Kingdom Brunel brought to life as never before: exploring his world and stepping into his mind. Being Brunel will not only preserve Brunel’s legacy; it will encourage and inspire innovators of the future.

The SS Great Britain Trust has been joined on this incredible journey by businesses who share the same values of enterprise and endeavour that were embodied by Brunel. By partnering with the Trust, your company can:

- Secure a vital piece of UK maritime heritage for generations to come
- Inspire the Brunels of the future
- Protect objects and artefacts of outstanding national importance (Arts Council England, Designated Status)
- Delight employees with days out at one of the UK’s top 10 museums and Bristol’s no.1 attraction (TripAdvisor 2017)
- Thrill guests with world-class conferencing and dining, in Bristol’s most unique venue
Corporate membership is the perfect option for companies who are looking for unique business and employee benefits. Brunel’s SS Great Britain is consistently rated the top attraction in Bristol (TripAdvisor) and is the recipient of more than 20 national and international awards, including UK Museum of the Year and Visit England Large Visitor Attraction of the Year.

Corporate members help to ensure the ship is protected for years to come and benefit from brand association with Bristol’s most iconic attraction.

**BENEFITS INCLUDE**

- Discounted tickets for all staff and their families
- Discounted and free event hire
- Exclusive opportunities, including behind the scenes tours and company family days
- Invitations to special events
- Brand recognition onsite, online and in the Trust’s publications

“Brunel’s SS Great Britain combines a long and illustrious history with an ambitious vision for the future. Corporate membership offers us the ability to invest in this future and we enjoy excellent benefits for Rathbones’ clients and employees.”

James Fox, Regional Director, Rathbones
The education programmes support local children and inspire them with science, technology, engineering and maths, as well as history and culture. Rolls-Royce is a long-standing supporter of these important programmes.”

Sean Connolly, Community Investment Specialist, Rolls-Royce
Sponsorship of the Go Aloft! launch was a great success for Stannah and we are now sponsoring the new Being Brunel museum. Brunel was, and still is, a huge inspiration to engineers and we are delighted to support this project in our 150th anniversary year.”

Jon Stannah, Group Managing Director

Brunel’s SS Great Britain welcomes around 200,000 visitors each year and is consistently the highest rated attraction in Bristol and among the top 10 museums in the UK (TripAdvisor).
