

# School Workshop Guide

**Brunel the Engineer**

During our visit we are going to find out about Isambard Kingdom Brunel.

We will learn about some of the projects Brunel was involved in and find out how the SS Great Britain's steam engine works.

Then we will go into the Being Brunel museum to look for objects linked to Brunel and his work.

To discuss specific access or educational needs please call 0117 926 0680 and ask to speak to the Education Team.
