

Top 10 Tips for a safe, smooth and enjoyable visit to Brunel's SS Great Britain

Before your visit

1. Check your confirmation letter and booking details for useful information.
2. Get to know the site by coming for a free look around before your visit. Simply bring your confirmation letter with you.
3. Tell us about any additional access or educational needs that we should be aware of.
4. Explore our free learning resources available from ssgreatbritain.org/learning. You will find resources here for use before, during and after your visit.

On the day

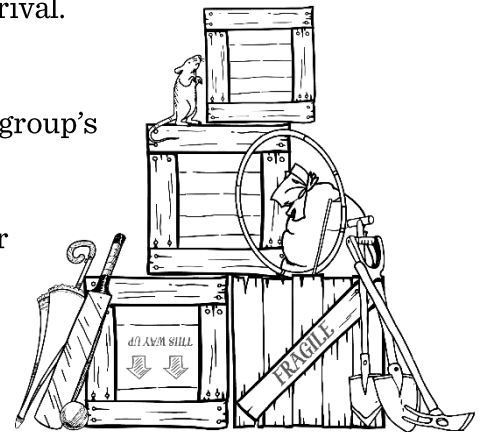

5. Ensure all adult helpers accompanying the group know the schedule and activities for the day.
6. Bear in mind that Bristol traffic can be heavy at peak times. If you are running late, please call 0117 926 0680 with your estimated time of arrival.

When you arrive

7. One adult needs to go to the Visitor Centre to pick up the group's tickets.

Please note we are unable to admit visitors before 10am.

8. If you are having a School Workshop or Guided Tour your group will be met, welcomed and given an introduction which includes information about orientation and safety on site.

During your visit

9. Stick to your allotted time slot to use the Riggers' Yard, our outdoor covered lunch area. This is on your confirmation letter. You may store your bags neatly here during your visit. Please leave the area as you would wish to find it.
10. Brunel's SS Great Britain is a historic site. Please take care while exploring. The site is fully accessible, but please be aware that floors are often uneven and slippery and headroom can be limited.

Our friendly crew are happy to help if your group require any further assistance during your day.

Call 0117 926 0680 if you have any queries, to discuss additional needs, or for more information.

We look forward to welcoming you aboard!
