

Workshop Guide

Home Education Day
Being Brunel Show

During our visit we are going to watch a workshop about the engineer, Isambard Kingdom Brunel.

Someone will tell us about Brunel's life and explain the science behind some of his projects.

We will need to listen. We can also put our hand up to help with demonstrations if we want to.

To discuss specific access or educational needs please call 0117 926 0680 and ask to speak to the Education Team.
